UK Declaration of Conformity

We **MOLLET Füllstandtechnik GmbH**

Industriepark RIO 103
74706 Osterburken
GERMANY
Tel. +49 6291 64400
info@mollet.de

declares, in sole responsibility, that the product:

Float level limit switch

Float level level indicator

Type **TA**

conforms with the following UK Regulations. This declaration of conformity applies only in connection with the valid operating and safety instructions manuals from MOLLET.

Electrical Equipment (Safety) Regulations 2016 LV 1101

Applied harmonized standards or normative documents:

BS EN 61010-1+A1:2017-03-31

BS EN 60529+A2:1986-05-01

The Essential Health and Safety Requirements are assured by compliance with the directive and observance of the normative documents, as far as the scope of delivery allows.

Quality assurance: TÜVAUSTRIA GMBH, Deutschstraße 10, 1230 Wien / Austria (0408)
